## A DAY IN PORTO...

### ESTA Ladies Program Porto, June 14, 2010

**9:30** Departure from the Hotel for a day exploring the city - this will include a Sightseeing tour, with some very special stops along the way to visit the highlights of this wonderful city, which is rich with well preserved treasures, including monuments in the Romanesque, Gothic, Baroque and Neo-classical styles.

You will pass the Cathedral and one of Oporto's architectural marvel Casa da Musica, which, viewed from the outside, has been described as looking like a meteorite that has landed in the middle of the city.

A highlight is also traversing the imposing Avenida dos Aliados in the heart of the city, a beautiful boulevard lined with grand buildings and a central promenade, the Clerigos Tower, the famous Bolhão-Market and the modern Shopping area in St. Catarina Street.

At the end of the morning you will visit the 19<sup>th</sup> Century Palácio da Bolsa (Stock Exchange Palace).

At **13:00** it'll be time to embark on a 2 ½ hour relaxing cruise with lunch on board. Aboard a traditional boat you'll see the city from a completely different perspective.

In the afternoon you will also stop and enjoy a tour at one of the world famous port wine cellars.

After tasting a great port wine it'll be time to return to the hotel at **16.45**.
