Is there a need for standardisation?

Can we leave without standards?

Can we leave without standards?

Standards make our life easier!

- **Standards vs. competition**
- **Standards vs. innovation**

life is full of examples!

- **Why not?**
 - **ATM cassettes**
 - **Banknotes packaging**
 - ...

Standardisation activities

- **Priorities** for standardisation:
 - European **definition of unfit Euro banknotes and coins**
 - **Banknotes:** Eurosystem Cash Recycling Framework (2004)
 - **Coins:** European Commission Recommendation concerning authentication of Euro coins and handling of euro coins unfit for circulation (2005)
 - European **standards** for euro coins and banknotes **packaging:** work in progress (Eurosystem)
 - European **standards** for banknotes stained by **protection devices:** under development (CEN TC263 WG4)
 - **Standards** for **electronic data interchange** (choice: ISO 20022 XML)
