

## ESTA 2009 ANNUAL CONFERENCE

ESTA is pleased to announce that registration to its 2009 conference is open.

The event will be held in Rome (Italy) on 26, 27, 28 April 2009.

The programme will be finalized shortly and will address most topics impacting on our industry from multiple angles such as regulations, security, insurance, technology, holistic solutions and specific initiatives.

Numerous case studies from leading CIT operators and vendors across Europe will allow delegates to learn from the experience of others and to discuss the latest issues.

The event will obviously offer outstanding networking opportunities for all industry participants.
